

SEEK f i n d

Come along on a beautiful
beast of a multi-sensory,
promenade, immersive
performance experience
made by a mixed community
and professional cast.

An all ages show
that is accessible
to everyone

mac birmingham,
Cannon Hill Park, B12 9QH

Friday 17 June

1pm (private performance)/7pm

Saturday 18 June

12.30pm/4pm

SEEK f i n d

‘Beautiful, intensely positive, surprising and moving too – brilliant!’

Audience member at previous show

Taste, feel, see, smell and hear your way on a daring quest through Cannon Hill Park. With the help of Spectra’s intrepid guides, delve into adventure to seek your treasure and marvel at the delights that await you in the Arena.

This performance is unseated and includes 15 minutes of walking on wheelchair-friendly paths. Seating can be provided where necessary.

Spectra is a performance project for people with learning disabilities that has been developed through a partnership between mac birmingham’s Next Generation programme, independent artist Kate DeRight, and Queen Alexandra College. The project aims to empower participants and develop them as creative leaders while making compelling performances.
